

## Member Profile

### FIONA EVANS

Instrument: Flute

Born: 1969 in Ireland

Career: Pharmacist

### ABOUT ME

I moved to Australia in 2004 and am still having a great time. I am married with 2 children and work as a pharmacist in both community and hospital pharmacy.

I would love to own my own pharmacy.

### MUSICAL BACKGROUND

My main instrument is the flute. I also play the piano and played the piccolo for a few years.

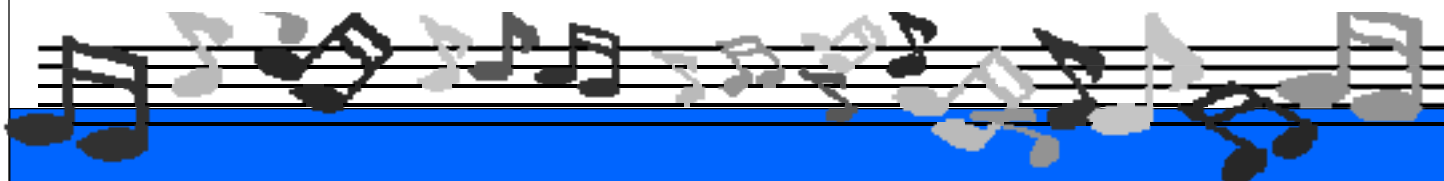

I started the piano when I was 6 following my mothers' love of music and singing. She encouraged and cajoled my sisters and brother in music participation. I took flute and piano lessons until age 17, taking part in "Feis" competitions, which are similar to Eisteddfods in Australia. I competed in piano solos and duets, wind competitions and also played in the school orchestra.

I stopped playing the flute when I left University in 1992 and have commenced again with the City of Lake Macquarie Concert Band.

Musical groups I have played with include Our Lady of School Orchestra, South Ulster Youth Orchestra, Queens University Chamber Orchestra, Northern Ireland Studio Symphony Orchestra and Newry Concert Band.

### FAVOURITE MUSIC

I'm an 80s girl at heart, but like all types of music

**Philosophy**  
Excellence in profession and enjoyment of family
