### ABOUT ME

I am a student studying Year 12.

I have 2 sisters (one plays the violin, one the piano and drums) and my best friend is my dog Jake (Dalmatian) He howls loudly when I play my sax.

### MUSICAL BACKGROUND

I also play Clarinet & Tenor Saxophone.

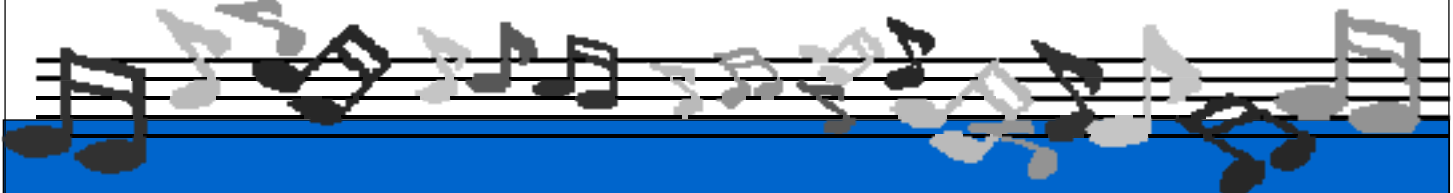

I started playing the violin at age 8 following in my sisters' footsteps and completed a second grade Violin exam. We both then attended a student band camp and I fell in love with the saxophone.

My tutor suggested I start with the Clarinet. I have completed all Clarinet exams to Grade 6 and finally started on the sax and love it.

I don't enjoy solos and so have decided bands and ensembles are where I should be- I have severe stage fright.

The guys at Lake Macquarie are great!

Best fun so far with music - Starstruck Big Band 2006. So good! I also play in the DET Hunter Central Coast Wind Ensemble. I hope to be involved in band music forever and play every saxophone I can.
